

30 Days of Change: Exchanging Tears for Joy

30 Days of Change: Exchanging Tears for Joy gives personal insight into the heart-healing process. This book offers the reader the opportunity to find healing and joy through a series of letters written to God. Christal Luster shares her personal testimony and the God-inspired revelations she received during the healing process. I found my will to forgive when I realized that unforgiveness was exhausting and fruitless, but, more importantly, when I realized that I just wanted to be a better person, a Christ-like person. I was tired of finding myself in the same shameful cycles every year. I wanted real change in my life, so I was willing to do whatever it took. Join Christal on this journey and start your healing process today! For more information about the author, visit www.christalluster.com
