

Hunger: New World Series

Seventeen year old Arabella Skyko was like every other girl in Grand Forks, North Dakota, or was she? She wanted to finish high school, dreamt of going off to college and falling in love. But all that changed the day she met him. Micah Shade, a sexy, irresistible vampire who was sent to protect her. Now shes thrown into another world where vampires, vampens, abilities, blood thirst and an uncontrollable hunger for Micah Shade exists. As Arabella tries to deal with the overwhelming information from Micah, she is also being hunted down by the Kings assassins. Will they make it to Legna (the institute) where she will be protected and be able to learn more about herself and her kind? Is she strong enough to survive the onslaught of attacks? Can she accept who she is becoming? Will her uncontrollable hunger for Micah ever be quenched or can someone else satisfy her needs? Find out in the first novel of the New World Series.
