

[Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters, HEA] Logans tired of being pushed away and refused by his mate. When Jared declares their pairing unnatural he finally decides enough is enough. Jareds family has drilled into him that only water dragons are to be trusted. Hes confused and scared when he learns his destined mate is a cougar, not a water dragon. So he acts rashly and forces him away, realizing too late that hes made a mistake. As he watches his mate sit helplessly in a hospital bed, he swears to change. To allow Logan to heal, and for them to come together as mates, Jared takes them to Itayu Lake. There he starts to question when he started to accept his Sires words, and the horrors of his own past come to light. Logan must try and forgive Jared for everything hes done so he can help his mate come to terms with what has happened to him. Matters are further complicated when Jareds mother arrives with the goal of taking all of her sons back with her. ** A Siren Erotic Romance
