

Snowbound with Dr Delectable (Mills & Boon Medical)

Dr Baylie Walker loves her job. As an Emergency Medical Technician, she gets to spend her days skiing through the mountains and saving lives. A secluded and quiet life is just what she needs. Until delectable Dr Kyle Campbell makes a dramatic entrance! He may be gorgeous with a tortured edge and he's exactly the kind of distraction she hoped to avoid this Christmas! But the sparks fly when they are forced to work together. And as the first snow of the season begins to fall, they have nowhere to run.
