

Tasting Temperance: SpicyShorts

Lady Temperance knows she is in trouble when her guardian, Viscount Linchester, catches her sneaking out of the garden in a state of dishabille. When she reveals she was with Lady Prudence - not Prus brother, Horrid Harold, as Ashby assumed - her guardian accepts the news she was kissing the other woman with aplomb. Ashby is convinced she cant have learned much from another inexperienced chit and does something most peculiar - he offers to instruct her in the art of kissing...everywhere. SpicyShorts are compact tales that can be heard in a brief amount of time with no cliffhanger endings or multiple parts.
