

A Mother for His Children (Love Inspired Historical)

FROM AMISH NANNY TO BRIDE? After her sweethearts betrayal, Ruthy Mummert leaves behind the small-town gossip of her Amish community for the first opportunity she can find: a housekeeper position in faraway LaGrange County, Indiana. Ruthy didn't realize the job meant caring for ten children and for their handsome widowed father. To Levi Zooks' mind, Ruthy is too young and too pretty to be anyone's housekeeper. A marriage of convenience will protect her reputation and give his children the security they dearly need. But it could also give them the courage to grasp a new chance at happiness if Ruthy is willing to risk her wounded heart once more.
