

From New York Times bestselling author, J. Daniels, book two in the Alabama Summer series. ****Author's Note**** All I Want is a standalone novel, but to fully appreciate the f***ed-up mess that is Luke & Tessa, pick up Where I Belong first. Luke Evans is a heartbreaker. I didn't want to give mine to him. Not when he kept me out. He gave me enough, just enough to make me fall in love with him. I say this to convince myself. But I know the truth. I would've fallen in love with him at a distance. Handing my heart over to Luke was the easiest thing I've ever done. I was naive when I wished for more, when I hoped he wanted the same things I did. I try to hate him. I try to forget him. But it's not that easy. Love is a ruthless bitch, and I'm her latest victim. ~*~ Tessa Kelly is a man-eater. When she sets her sights on you, she doesn't just consume your heart, she goes for your soul. What we had was perfect, real, and all I would ever want. But she destroyed it. She destroyed us. I try to hate her. I try to forget her. But it's not that easy. Love is for people who have hope, and I have none. ****Warning:** This book is recommended for readers over the age of 18 due to strong language and explicit sexual content.
