

Adultery The End, or a New Beginning? A Discerning Look

The reverberating theme of *Adultery: The End, Or A New Beginning?* is grace, that indescribable and costly quality of love that brings healing and hope to a marriage devastated by adultery. As deadly as adultery can be, this book affirms that it need not signal the death of a marriage. In it, you will find the essence of grace drawn from personal examples of faith and perseverance. You will meet a number of courageous and recommitted married couples, the majority of whose marriages survived, and even thrived, in spite of adultery. You will learn how these marriages received a fresh understanding and outpouring of agape love, the unconditional love that God dispenses to His children. *Adultery: The End, Or A New Beginning?* communicates the ugliness and destructiveness of sin and takes a biblical and practical look at true repentance and obedience to God that have the power to bring a marriage back from the brink of disaster. I pray God will use this book to bless and heal the marriages of the many couples today who need its message. To God be the glory, Ruby J. Howard
