

## Escaping the Darkness

Maggie grew up trained to be a good little soldier without being allowed a social life. She knew to disobey meant that she would be punished and she had the marks on her body to prove it. Seeing her mother killed by the man that trained her, Charlie, ends the life she knew. Now Maggie is a bet to a group of elite boys that each wants something different from her. Maggie has to use the skills she learned from Charlie to stay ahead of their game. The only problem is they are playing her against own her heart and Charlie is still coming after her.
