

Final Stand

For two terror-filled days, Las Vegas cop Sasha Mills has been on the run. Now, in a remote stretch of southwest Texas, she is compelled to take a chance in a town called Bitters. But her timing couldn't be worse. As the only stranger in town, she becomes the prime suspect in an arson investigation thrusting her into a spotlight that could cost her her life. Because deadly danger is in fast pursuit. An international crime ring has targeted her as one of two loose ends to tie up. They need Sasha silenced. Then tragedy strikes, and running is no longer an option for this tough lady cop. Its time for payback. Its time to make a final stand. For justice. For family. For love.
