

The Art of Flirting and Seduction

Have you ever wondered why some men and women can charm the birds from the trees while others cant? Of why flirting and pick up lines sound so right with one person but false and cheesy if used by another? Its all to do with authenticity. In the Art of Flirting and Seduction Melody explains what to look for and how you can increase your flirting and seduction quotient by being aware of the philosophy and mechanics behind giving pleasure to others by what you say and how you say it. If you are looking to find the best one liners to chat up a man or woman - this book is NOT for you. But if you are wanting to learn the attributes and mindset of a flirter or seducer then youve come to the right place! In this tongue in cheek look at flirters, seducers and stayers. Melody R Green takes us into the laws of engagement, the art of flirting, serious seduction and even commitment and goodbyes. The flavour is light and playful, the information thought provoking.
