

Beautiful Lies

All girls hear, and know, is we are a little too skinny, a bit too fat. We need bigger this, smaller that, tighter this, plumper that. None of us are perfect, but Emily, the depiction of females, strives for it every day. It will be attainable eventually, wont it? Girls all over the world face some kind of injustice. But we cant change the world.

We can only change ourselves. All Emily wants to do is change herself. Shes sure with everything she changes, her insecurities will fall away. But how far is she willing to go?
