

The New Testament Notebook: For Students of the Bible

Sometimes wide margin Bibles are just not wide enough. Perhaps you prefer writing your notes and thoughts while studying rather than typing them at the computer. Maybe devotional Bibles and books just don't work for you. You may take great notes, but have no place to keep them. You are not alone. This notebook was created to meet a need, to save some of the great and mighty things that God has shown you through the study of His Word. This is an excellent tool for a preacher, a teacher, or any student of the Bible. There are no subtitles or helps to influence your thoughts. It's just you, the Word of God, and plenty of space to write. So go ahead and write anything you want. Write as much as you want. Write it where you want. Write your outlines and thoughts, or someone else's. Write your questions and God's answers. There is plenty of room, so don't hold back. May this notebook be a blessing, a challenge, and a keepsake to those who choose to use it.
