

After years of physical pain and weakness, Cyndi White read in the Gospels that Jesus healed all those who yielded to His love, mercy, and light. She knew her brothers and sisters were also hurting and seeking Jesus as best as they knew how. In 1984, the fire of the Holy Spirit came to her from heaven, setting her free from agoraphobia, manic-depression, alcoholism, a smoking addiction, hatred, and an inability to forgive. She and her husband recently began a four-year journey to reunite with the fire from heaven, seeking to understand the deeper matters of God. Please Receive Your Healing From Heaven is the result of that quest. My husband and I have wakened to the sounds of revival again in America, a revival that is spreading through the whole world! The eyes of our understanding have been opened. My hearts desire is for every one of us to come into our full potential for the bearing of spiritual fruit for His Glory. I pray this can be a spiritual map for you to receive your healing and commissioning.
