What happens when purposeful determination collides with steadfast resistance? Former Navy officer, Andrew Gallagher, is returning home to the Los Angeles area after four years overseas. He has his life planned out, and that plan centers on winning the love of Allie Hendrickson. So why is it that all his attempts to get closer to Allie end up pushing her further away? Allie is pursuing a goal of her own to be Horizon Pharmaceuticals top sales rep. Having rebuilt her life after devastating losses she is now focusing on her career. But the stable atmosphere in her townhome is soon replaced with chaos when her energetic, man-chasing cousin moves in. Then work turns into a grind when a deceptive and conniving new boss becomes a challenging obstacle along Allie's path to the #1 spot. In spite of intense feelings stirred up for her by the sudden reappearance of longtime friend, Andrew Gallagher, Allie is convinced she has no time for love. When purposeful determination collides with steadfast resistance, there's an infinite transfer of energy and an endless clashing of wills. If Andrew and Allie are to find happiness and love they must find a way to surrender their need to control. Can these two driven people take their hands off the wheel and trust their faith to guide them to a plan greater than their own? And will that plan include each other? Enjoy a warm and witty journey through caffè americano and find out.
