

## Zelle and the Tower (Fairelle) (Volume 3)

Sweet and naive Rapunzelle possesses a dangerous and powerful magick. Her entire life has been spent in a mage tower built by her father, to keep her safe. Or so she's been told. Flint Gwyn has spent the better part of the last year wandering Fairelle, wanting nothing more than to wash away the pain of letting his family down. Between drinking and womanizing he plummets in to despair, with only Dax the werebear to keep him from getting himself killed. When Flint and Dax stumble into Zelle's tower while running from a dragon, she finds herself drawn to him in a way that awakens startling memories she cannot place. And the longer he stays, the closer she comes to losing her heart. Unable to control his feelings for the lonely maiden who brings him peace for the first time in his life, Flint fights to release her from her prison. But in doing so, he may very well bring down the wrath of an evil that's plagued Fairelle for a hundred years.
