

## Jump Start Your Money Confidence: Personal finance confidence in 30 days for the overwhelmed and anyone who thinks they're useless with money

Do you lack confidence with money? Does thinking about your finances make you feel lost, stressed or overwhelmed? Do you think you're no good or useless with money? This 30-day challenge and guide is for you. This book has been inspired by new research and findings in the field of behavioural science, and uses a wide range of simple yet powerful cognitive techniques and productivity tools to help you tackle your money issues and get you feeling confident and competent with your finances in a matter of days. The Jump Start programme breaks down all the most essential personal finance topics into manageable bite-size chunks, with just one simple activity to try each day so you won't end up feeling overwhelmed. Work through the examples, exercises and actions step by step and you'll soon be feeling much more confident about:

1. Shopping smarter
2. Dealing with debts
3. Budgeting effectively
4. Creating savings
5. Monitoring spending
6. Planning for the future
7. Managing your money mindset and much more

It all builds up steadily to give you real results. Each simple daily suggestion is easy to carry out, and contributes to a positive change in your financial situation, knowledge, outlook and behaviours. These collectively create a renewed sense of money confidence and personal effectiveness, and will set you on the path to a healthier financial future.
