

Daring Chloe (Getaway Girls)

When Chloe Adams fiance dumps her the night before their wedding two girlfriends from her book group decide a little adventure is in order for the three of them. After all, why let a perfectly good honeymoon cruise go to waste? Adventure? Chloe Adams? No way! Chloes lived in one town her whole life. The closest she's ever gotten to actual adventures is reading about them. But her girlfriends won't take no for an answer. One good adventure calls for another as Chloes friends try to coax her out of her post-dumping funk, and soon she finds herself living out the adventures in her book clubs latest selections. Hiking. Sailing. River rafting. Traveling to new places and eating exotic food. The play-it-safe Chloe begins to blossom into a new, daring Chloe. A Chloe who just might be ready to take on her biggest adventure of all Laura Jensen Walker has a knack for quirky heroines and real-life humor. In Chloe, she's created another memorable character who will live on in readers hearts.
