

Depression Se Mukti

Cant sleep soundly?Dont feel like stepping out of the house?Having suicidal thoughts?You might be depressed and dont know it yet. According to a WHO study, a mindboggling 35.9 percent of India suffers from Major Depressive Episodes (MDE). Yet depression remains a much evaded topic, quietly brushed under the carpet by most of us. In *Beating the Blues*, Indias leading clinical psychologist, psychotherapist, and trauma researcher Seema Hingorany provides a comprehensive, step-by-step guide to treating depression, examining what the term really means, its signs, causes, and symptoms. The book will equip you with: Easy-to-follow self-help strategies and result-oriented solutions Ways of preventing a depression relapse Everyday examples, statistics, and interesting case-studies Workbooks designed for Seemas clients With clients ranging from celebrities and models to teenagers, married couples, and children, Seema decodes depression for you. Informative and user-friendly, with a foreword by Indu Shahani, the Sheriff of Mumbai, *Beating the Blues* is an invaluable guide for those who want to deal with depression but dont know how
