

Know the Diabetes book is a very informative read written by a renowned Physician of Internal Medicine in India who has been a Principal of a Medical College and has authored more than 50 books. It is not just for the ones who are suffering from Diabetes but also for those who wish to know how to prevent having it. The Book contains chapters like When to Suspect Diabetes, Drug Treatment, Prevention, Diet, Myths and Truth about Diabetes, including the life style one should maintain. A must read for one and all.

The first epistle to Timothy (Devotional Commentaries), Thru the Bible Commentary Vol. 34: The Gospels (Matthew 1-13), Constantinople Volume 1, Unwrapping Chris, Its All Greek to Me: From Homer to the Hippocratic Oath, How Ancient Greece Has Shaped Our World,
