

Hassan (Italian Edition)

A ridosso dei pozzi petroliferi, sullo sfondo incantevole del deserto, si svolge una saga familiare ricca di vicissitudini, dove si stempera lo scontro tra generazioni. La storia scorre dalle dune del deserto all'affascinante Vienna, presentando i componenti di questa famiglia attraverso le loro attività, i loro successi e le loro imperfezioni, offrendo contemporaneamente storie collaterali di una profonda umanità e ammirabile freschezza... leffetto finale e un romanzo avvincente che riesce a trasmettere il proprio messaggio di rispetto verso la nostra terra in modo convincente e stimolante.
