

# The Seduction Force Multiplier 1 - Bring Out Your FULL Powers Through The Power Of Routines, Drills, Scripting and Protocols! (Volume 1)

Would you like to learn how to be interesting? Perhaps teach women how to fall in love with you? Or you're just interested to have sex with beautiful women? This book will give you the ultimate tools to transform yourself into one of the elite few guys women want! Of all PUA books in existence, nothing else goes as deep into pua routines and game scripting to give you the edge into one of the most overlooked advantages to having phenomenal game! If you tried to incorporate routines in the past and failed or quit? It's not your fault! You have not been taught how to treat routines properly! In order for routines to work in the long haul? You have to have the CORRECT mindsets and inner-game to be congruent with this paradigm. Most importantly? What will tons of routines actually do for you if you can't even internalize them? You can't even access them in the field? Solutions to that problem is talked about in the book. The Pickup Gurus who teach routines, come from a sense of lack! You must not treat routines as replacements for personality, just like how those with no game treat cars, cash to overcompensate for their lack! You must have the perfect innergame and attitude about routines in order to make them work, and not abandon them as thousands have! You simply cannot achieve a much more solid and full rounded powers in game, except through professional grade game-which is only possible by capturing your best self, and the best experiences and emotions in your life! Although the book is primarily written for those in the seduction community? You'd come to realize the principles laid out in the book apply in any other performance arts. If you are involved in ANY other performance art? Routines are just not an option as you've probably realized. They are a must! A MUST if you desire to truly maximize your powers and potential in the craft! Not only to be able

to seduce women? But will also give you the tools how to make friends and influence people. Thats right, learning how to win friends is a non event.Its so damn easy when you know what to say or do every single time! Table of Contents Routines kill Chaos Individuality determines success Assess the pieces both on the Macro and the Micro Special Forces VS Natural Warriors Kill houses People use routines all the time Going beyond method The power of drills Scripting and Routines in the world of Sales Copywriting Time and the Persuader The right mindset to scripted game is crucial Fake it till you make it Routines are not replacements for personality Routines are not magic words Custom Routines You DONT have to use routines!
