

Stupid Cupid: A Laugh Out Loud Romantic Comedy!

Annabelle Pearson was in love. For three years, shed worshipped the sexy but aloof Nicholas Natrass from afar, wistfully dreaming of a time when hed love her back, or at the very least notice she existed. All that was about to change, however, when she starts seeing things that she shouldnt, things that couldnt possibly exist, like the Grim Reaper and the Tooth Fairy, for example. The last straw comes when she spots Cupid, about to shoot his arrow at her beloved, and in a desperate bid to save her dream, she wallops him one with her handbag. Dealing Cupid an almost fatal blow means someone has to take his place, and that someone is her! Will she complete her mission and save Cupids life? And will she manage to win the love of Nicholas Natrass, or would the esteemed Doctor Love have her committed to an insane asylum?
