

Review: Irina Baker has authored a positively brilliant book that can change the course of your life from where you are right now to where you want to be by cracking the code, revealing the secret messages each and every relationship is giving you, so you can live your life filled with love, peace, joy and prosperity. Drop that Drama will fast become the go-to-guide, a treasure map that will lead you to the magnificent treasures for your life hidden deep within relationships. --Robin Walters, Founder of Be Uniquely You and forthcoming author of Be Uniquely You. Review Irina Baker's Drop That Drama and Recreate the Relationship That Works offers a fresh and intriguing option within an overpopulated genre of relationship-advice books. Writing from the personal experience as well as extensive professional study Baker explains in caring, conversational prose how to harness fundamental psychological and spiritual dynamics in order to create deep and lasting interpersonal change. She begins by prescribing a healthy dose of grown-up responsibility and attitude self-adjustment—no matter how impossible one's partner may seem. But this is not some ascetic call to sacrifice and subservience just for the sake of keeping the peace. Rather, Baker demonstrates through her own and clients' success stories how changing one's own perspective can lead to welcome change in others. And she allows for the reality that not all lovers live happily ever, offering wise counsel on when and how to say good-bye with grace and dignity. Although Baker's unorthodox view of spirituality may challenge some readers, she resonates with much traditional teaching about the spiritual world and our connections with it, while suggesting also an intriguing take on a few relationship mysteries otherwise inexplicable. -- Sandra Millers Younger, author of The Fire Outside My Window: A Survivor Tells the True Story of California's Epic Cedar Fire. Review Once in a while a book comes along that hits you right where it hurts. Drop that Drama is one of those books. The journey through these pages will bring aspects of your own life right into your line of sight. It's a chance to take full and total responsibility for your life. No one is to blame for anything that has ever happened to you. Reading and absorbing this book may just be the most freeing experience you have ever had. -- Peter Smith, Creator and Author of Hypnoenergetics - The Four Dimensions. Review "Indulge yourself---this book it will change your life forever." -- Gloria Andrioli, D.M., Ph.D. Dynamic Life Renewal Review "Powerfully written, revealing our deepest most vulnerable and painful limiting beliefs with simple action steps and very insightful questions to get right to the heart of the issue at hand. Poignant and beautiful. A great read for all people as we are all in relationship with ourselves, and this is where it all begins. I recommend this book highly! -- Barbara Drohan Dooley, Consulting Hypnotist, CSHI Description: Is your relationship not working and you've tried all conventional means to fix it? Have you already left the relationship, but you are aware of your pattern of attracting "wrong" partners, and you don't even trust yourself regarding relationships anymore? Do you believe that your relationship will never work and you want to leave it, but don't know when and how to do it? If you are serious about discovering the origin of your relationship problems and want to bring peace and harmony into your life, it's time to add a spiritual approach and view your relationship as a Karmic lesson, a spiritual contract that was made between you and your partner before you both were born. Learn about and apply the six powerful spiritual principles revealed in this eye-opening book, and you will have the choice of either making your relationship harmonious or leaving "with honors.
