

Entering by Faith: A Study in Hebrews (Geared for Growth)

In the first century AD many people became Christians, rejoiced in their newfound faith and then became bogged down with ritual, doubt or peer-pressure (sounds kinda familiar, doesnt it!). Hebrews provides answers for all of these problems and points us in the right direction for spiritual growth. Hebrews is really all about Jesus. God shows us that the best things he has provided for us, both in time and eternity, are through Christ. Helpful notes bring the significance of these chapters into focus, and speak clearly to us today. Geared for Growth study materials encourage: A Daily Encounter with God, Group learning and sharing, Spiritual Growth and Church Growth.
