

Taking a Bride For My Brother (Strategic Alliance Book 2)

Esme is approaching an age when she will be expected to wed and begin her own family. So her half-brother and legal guardian, Brant, agrees to let her spend a month in London with Lady Ann, his mother-in-law. As an heiress, Esme needs to familiarize herself with the workings of Court and the Gentry. However, nearing the end of her visit, she is disappointed at the lack of any interesting suitors. Then, one totally inappropriate, overzealous suitor, Roderick, turns her disappointment into near disaster.
