

## Interviewed by the Alpha (Gay Werewolf Shifter Erotic Romance): Episode One (Stone Pack Book 1)

Archer Hudson's life isn't going so great. His boyfriend is most definitely cheating on him and now he was running late for the interview that could change his life forever. Upon arriving, sweaty and flustered, Archer is shocked to find out that he's being interviewed by Nolan Stone, the most powerful producer in all of Hollywood sporting the most defined of jawlines. Nolan Stone was the epitome of man. It made Archer's passion flare, making their chemistry undeniable. But not everything is what it seems. When Archer is attacked by what appears to be a man wearing a wolf costume, he finds himself back with Nolan. Except that Nolan might be the reason for the attack in the first place. Archer soon finds himself unwillingly thrown into the middle of a werewolf war and faced with the decision of staying by Nolan's side or running away from it all. Will the intense passion between Nolan and Archer be both of their downfalls? Recommended for 18+, this M/M shifter romance contains explicit sexual content. This is Episode One of The Stone Pack serial.
