Book #2 in The Ranch Collection. Melody Bennetts parents trampled on her teenage Melody Bennetts parents trampled on her teenage romance with a drifter ten years ago. He disappeared without a word of goodbyes on the night they had planned to run away together. Since then, she cast aside her foolish notions of happily ever after and worked hard alongside the hired help to care for the majestic horses on her familys ranch. She refused to give love another chance and resigned to live her life alone. Max Fortaine returned with a heart guarded by secrets and a sizable bank account that took blood, prayers and tears to fund. The cowboy disrupted Melodys peaceful existence with stolen kisses and a promise for more. After a lifetime of running, mistakes and regrets, he vowed to reclaim the only woman he ever loved... if only her overprotective father didnt stand in his way.
