

FOOTSTEPS OF THE LORD Volume1

Lectures on the Gospel of John: Footsteps of the Lord I & II distinctly capture the image of Jesus from 2,000 years ago, as seen in the eyes of John, who witnessed the life of Jesus firsthand. And passing through the time of eternity, the secrets about the beginning of time, as well as information about the origin of Jesus, and about His love and providence that ultimately led to our salvation, are all unraveled.
