

Welcome to The Fathers House: Bringing the Lords Prayer to Life Through Story & Study

The Lords Prayer--a prayer often recited by memory, yet with little expectation it will make much of a difference. But what if this prayer holds the keys to living more like Jesus lived? Would it change the way you pray? Welcome to The Fathers House is an eight-week Bible study with a fictional story woven throughout. Scripture reading, questions, life application, and opportunities to interact and connect with God through listening prayer are included. Through the daily lessons, readers will see that the Lords Prayer is meant to bring all that's available in heaven to earth--it is meant to make a difference.
