

# Ditching Mr. Wrong: How to End a Bad Relationship and Find Mr. Right

From recognizing when they're with the wrong guy to identifying the characteristics of the right one, this handbook provides women with the tools for finding their ideal partner and building a lasting, quality relationship. Beginning with a comprehensive checklist the Dating Litmus Test women are able to make an analytical analysis based on their personal value system of whether the guy has the potential to be a long-term mate. Through expert advice, anecdotes, and exercises, women are able to more quickly surmise whether a relationship is healthy and learn how to proceed. Among the tools provided are profiles of the 20 worst types of guys to get involved with to help women increase their Mr. Wrong-savvy and more quickly spot when someone doesn't match up to their standards. The handbook also takes a look at mistakes single women frequently make and their rationale for not exiting bad relationships and provides steps for getting back into the dating game. A section on how to gracefully terminate bad relationships is also included.
