

Swinging For Couples Vol. 1: Beginners Guide To The Swinging Lifestyle - 25 Things You Must Know Before Becoming A Swinger (Ultimate Swingers Guide)

So you think you are ready to swing? Perhaps you've heard about swinging from some friends, seen a reality show about swinging, or read about it online. Possibly, your significant other has been talking about it. You've thought about it, and it sounds interesting, fun, and sexy, but how exactly does swinging work? What are the options? Are there rules? Where do you meet other swingers? Fortunately, you have come to the right place. This introductory book will guide you through the basics of swinging for couples. Once you start exploring the idea of swinging, you'll be surprised at who else is swinging, and how many different walks of life are involved in this activity. From older, established, professional couples to younger, less experienced couples, everyone shares in the same passion and goal of having fun and pursuing a new level of sexual satisfaction. Most people swing with class, grace, and discretion. Many would say that they experience amazing results when they bring their sexual desires and fantasies to life. This lifestyle has room for almost everyone, provided that you enter into it with respect and open-mindedness towards your fellow swingers and their sometimes odd quirks and preferences. There is a wonderful world waiting for you and your partner, which should include a happy relationship, great friends, and amazing sexual adventures, if you know the right path to take. Swinging For Couples Vol. 1 is written for beginners. It takes you, step by step, from getting you and your partner ready for the lifestyle all the way to your first swinging experience. Here are some of the things you will learn in this book:
