

Buckskins and Brocade (Siren Publishing Menage Amour)

[Siren Menage Amour: Erotic Cowboy Menage a Trois Romance, M/F/M] Sequel to Kentucky Woman Olivia Raines travels to Kansas in 1890, headed for her first assignment as an investigator for the federal government. Her mission is to solve the mystery of boys that have arrived on the Orphan Train and vanished. Out of her element in Kansas and thoroughly unprepared for an assignment of this nature, Livvies horrified to discover two facts: Her cover is to play the new schoolmarm in town, and shes been assigned two bodyguards - a pair of devastatingly handsome twins. Connor and Desmond McBride are perfectly suited for this mission and perfectly suited to win a girls heart, but they hold secrets that will surface and threaten their success. Livvies determined to solve the case and claim both of the McBride brothers for her own. She is, after all, Jessie McGees daughter and takes after her mother in more ways than one.
