

## The Nanny Arrangement (Love Inspired Historical)

A family in the making. Becoming nursemaid to Paul Holmes orphaned niece seems like the perfect solution to Becky Siddons's problems. After having her romantic hopes dashed, she's determined to focus solely on her charge and not the little girl's handsome uncle. Until Becky realizes she is losing her heart to a man determined to keep his own under lock and key. Paul had hoped hiring Becky would allow him to keep a distance from his niece, a reminder of his late sister and his failings in raising her. Yet he soon finds himself enjoying spending time with outspoken, impulsive Becky and the child. Can he take a chance on this unexpected, joyful new family?
