

The Marquis and the Mistress: House of Lords Book 2

Lord Simon James Winston, seventh Marquis of Breckinridge, can have anything he wants, except the woman he loves. After Chandra, his lover of two years, spurns his marriage offer, he does his best to forget her. When friends discussed the services of Madame Eve one night over cards, it seems like just the thing to get him over his heartbreak. Mrs. Chandra Mallory wants nothing more than to marry her lord, but deep-hidden secrets threaten to destroy that dream. On a whim, the widow calls on the services of Madame, hoping a night of passion can help her move on. Can one evening heal past hurts and concerns and help a marquis and his mistress realize true love is always worth the chance?
