

Help! My husband in affair!:: Save my Marriage

How does the infidelity happen? May I offer another chance? Is Divorce always the Best Option? Should I Divorce My Husband? Can a Christian forgive an adulterous husband, and still divorce him? Should I Live with a HIV infected husband? Shall I remarry? Read the book to find your answers. Do you have a sinking feeling in the pit of your stomach that something is not right? An extramarital affair of a husband can spoil the entire harmony of the family life. What is expected from a family life or husband wife relationship is mutual understanding, lifelong trust and unbreakable affection. When the husband falls into an affair it serves as the starting point of all the common issues at home. Nothing can rock a marriage as horrifically as an extramarital affair. I want to offer hope to the couples who are experiencing, or who have experienced the horror of adultery. Infidelity doesnt mean your marriage must come to an end. Trust has been lost, the betrayal is emotionally painful but, if there is a good foundation and friendship, you can save your marriage. Yes, there is hope for your marriage after an adulterous affair. It is not easy, and it will not be without pain. But yes, there is hope.
