

# Boosting Employee Engagement: 50 Ways to Motivate and Energize Your Workforce

Apply these tips and ideas to your workplace and watch the motivation and enthusiasm skyrocket. Employee engagement is the employees connection to the work, the organization, their customers, the leaders and the connections they have with their co-workers. Engaged employees stay with their employers, have higher levels of job satisfaction and make significant contributions. This 24-page book provides 50 easy to implement and low or no cost ways to motivate and energize your workforce. A survey conducted by the Conference Board showed only 45 percent of Americans are satisfied with their work. This is the lowest level ever recorded by the Conference Board in more than 22 years of research. Those that fail to improve job satisfaction are at risk of losing their top talented people to the competition.
