

Friends With Benefits: How I Played The Game

John E. Blade was newly single after a long and boring marriage. Fearing that time and youth were passing him by he subscribed to a casual hook-up site to follow the allure of easy, inconsequential sex. After his first embarrassing failures he found himself climbing a fast paced learning curve as forayed into casual sex, BDSM, Dogging and his first threesome. Friends With Benefits is an unusual and explicit memoir bristling with detailed descriptions of his heterosexual encounters, honest reflections on what he learned about himself and how to enjoy casual encounters safely. It also casts a light on his partners varied reasons for seeking casual partners. At times graphic and at times frustrating reflecting the on-line hook-ups fickle nature his personal revelations appear to be leading him to a lifestyle he had previously only fantasised about.
