

As if by conspiracy, boys are encouraged to shave off their beards as soon as they start growing them. Beards have become a sort of a taboo (for lack of a better term). Shave for your first date, shave for your graduation speech, shave for your job interview, and so on. But the more people are trying to promote the clean shave culture, the timeless beard is also seeing a devoted increase in its fan club. There is no denying the fact that a well-sported beard is a really special thing. When maintained properly, a beard makes a man stand apart just as effectively as a tailored suit. The best part is that a growing a beard doesn't cost a thing. It's all natural. In this comprehensive guide, we will reinforce your desire to sport a beard and teach you how to grow it fast!
