

I Take You

Whip-smart, pacy, and truly hilarious. The Bridget Jones Diary for our times, you'll probably read it in one sitting because that's how good it is. Stylist. I'm getting married. He's perfect! It's a disaster. Note to self: Do not tell future-mother-in-law that you got into Harvard Law School by sleeping with the Dean of Admissions. Do not sing Beyoncé-style while representing client in major court deposition (actually, that one kinda works). Do not buy into the social construct of fidelity. But hey, for an easy life, do not let Will find out about all the other men (esp. my boss/his boss/his best friend). Meet Lily Wilder: New Yorker, lawyer extraordinaire, blushing bride. And totally incapable of being faithful to one man. As the big day dawns, one thing for certain, Lily's in for a hell of a surprise...
