I Want to Bite on Your Ears [Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, werewolves, HEA] Charlie Young is an omega werewolf, but also a defect. He cannot shift, and he and his wolf are stuck together, molded into the same body. Banished from his pack at a young age and forced to live with his abusive mother, hes shocked when hes called back by Dane Griffiths, the son of the former alpha who shunned him. Despite that hurt, Charlie wants to climb into the mans lap and obey. He doesnt want to be made into a concubine because hes a defect, however, so when Charlie runs, Dane not only chases him, but mates with him. Charlie is not even sure if its a true mating, but his body is certainly intrigued. He wants to know more about Dane, about the thing that caused him to push Charlie away all those years ago. It might bring great happiness, if jealous pack members dont kill Charlie in an attempt to take his place, first. ** Foxy-Eared Devil [Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifter, HEA] Mason Young was nearly hit by a van on the way out of his work. Luckily, someone rushed to save his life. A defective fox shifter pushed him out of the way, but now he owes the cute defect a years worth of servitude. When Parker Smith saw the object of his affection about to be turned into a road pancake, he had to act. Though he cant shift, and the only thing to signal him as a defect are the fox ears on top of his head and the tail behind him, he still knows pack law, and he plans to take every advantage of it. Hes been in love with Mason for months, and now he has an excuse to stay close, and even get off the streets where hed been living. His mission is simple, to show Mason that Parker is worthy of being considered a friend, and a lover, despite his defect. ** A Siren Erotic Romance
