

# Higher Education 101

Are you going through life meandering in a maze of mediocrity? Are you tired of living life without a sense of true purpose and identity? Higher Education is not about furthering ones academic education. Its about evolving as a human; about rising to be the best one can be; about defining success; and choosing the life one wants to live. For anyone interested in seeking personal development, not only for oneself, but for the greater good, Higher Education will provoke readers to take a hard look at their beliefs to see if they are up to the challenge - and inspire others to do the same. -Ready to start on your journey to greatness?
