

Journey to Grace 40 Day Devotional

Journey to Grace contains forty heartfelt - and sometimes raw - stories from the lives of four Texas women known as The Graces. This book escorts you through their journey to finding the complete love of Christ and total acceptance from one another. Their stories weave humor and a great message of hope with tough life lessons and the true pain of loss. Journey to Grace introduces a powerful methodology called The S.P.A. Approach that encourages you to share life experiences, study Scripture and enrich your prayer life with other women in a small group setting. As you read each days devotional, you will be renewed and restored. This is a journey you will not want to miss, as it will heal, strengthen and empower you, while God receives all the glory! We invite you to take this walk with women like us all over the world. About the Authors Leisa Barger, Kathy Hansen, Fran Piegari and Eugenia Robbins are business executives, wives, mothers, daughters and friends. They met in 1996 and began an expedition together that led to the formation of Graces Inc. Responding to a nudge from God to go deeper with their spiritual walk with Him...they never imagined that the journey would bond the four of them together so closely. Their life experiences, and the spiritual growth gained along the way, became the inspiration for Journey to Grace.
