

## Asian Billionaire - Secret Encounter: A BWAM Interracial Billionaire Mail Order Bride BBW Pregnancy Romance Novella

Theresa gets more than she imagined after a run-in with a hot Asian billionaire. Theresa Sanford works for a catering company that serves some of the wealthiest parties in New York City. At one of these parties she quite literally runs into Adam Cho, the billionaire founder of the most successful music streaming service in the country. There's an immediate physical connection between them that neither of them can ignore. She loses him in the crowd, but is determined to find him again. Once she does, a secret rendezvous convinces her that she has completed her fairy tale journey. Adam is everything a girl could dream of: gorgeous, rich, and an incredible lover. But once they try to move past the physical, Theresa can't help but notice that Adam lives in a world ruled by money; a world that is very different from her own. Will their love for each other be able to bridge this gap? Will they be able to find their happy ending? **AUTHORS NOTE:** This is a stand-alone story with an HEA, so no cliff-hangers! Story contains mature themes and language, and is intended for 18+ readers only.
