

# Kingdom Builders

This book is about building Gods kingdom. Its about your place in that process and Gods work in you. A series of studies in the book of Acts which focus on Peter, Stephen and Philip - people involved in building the kingdom. Not a commentary, it has two aims: helping us to understand Acts as a story and to recognise Gods work today. One question remains paramount throughout: What did God have to do in these peoples lives for them to become fellow-builders? Another question follows: What might God have to do to make you a fellow-builder?
