

Love Beyond Time

A romantic adventure of time travel, ancient treasure, mystic secrets, patriots and political intrigue, love, danger, passion and redemption in a time when even a remote Highland glen is not safe. Etain Ruadh, flame-haired beauty, a warrior tall and strong, spun through time from the distant past, finds all she knew long destroyed. Whatever the cause, she will find a way to return home and save her clan. Allen MacLochlainn, archaeologist and patriot, has found a priceless ancient treasure hidden in the glen. It is the key to freedom for long-embattled Scotland. Deadly enemies will stop at nothing to prevent that. Sparks fly from the first moment they meet. Etain finds Allen so incomprehensible that she is wary of him. Allen is skeptical of Etain claiming to be from the far past. She is wild and arrogant, sure to be trouble. Despite sparks they are thrown together. She must have his help to survive in this unknown time. He needs her help to safeguard the treasure and free Scotland.
