[Siren Classic ManLove: Erotic Alternative Futuristic Interracial Paranormal Romance, M/M, shape-shifters, HEA] Diallo Lovett had his world turned upside down when a man he believed was his mate not only lied to him, but kidnapped Diallo to torture him. After years of abuse, Diallo had been rescued, only to find the real torture was just beginning for now he had to find a way to put his life back together. An explosion had taken Dugan Nash's leg but not his determination to make those responsible pay. With a lot of sweat and tears he finally was able to walk with the help of a prosthesis. The moment Diallo meets Dugan, he knew he had been fooled all those years ago. Dugan was his real mate. The events of the past make Diallo too leery to trust in the one man meant to be his. Dugan knew of Diallo's past but he was determined to find a way to break down the walls Diallo had erected and heal the scars that surround his heart. \*\* A Siren Erotic Romance
