

Earth Healer

Angeline, an earth elemental, is perfectly content living alone in the forest, growing her healing herbs, studying her old mentors books, and helping ill people who come to her. Damien, Laird of Lupis Keep, has been cursed since childhood with land that will not grow anything. In his search for someone to break the spell, he discovers a healer whom he has never before seen. When Damien discovers Angelines abilities he forces her to submit to his wishes. She calms his soul and enhances his own magical ability. Will their newfound love survive the discovery of the true source of the curse or will the answers keep them apart forever? Some Swearing
