

Natalie

Natalie must get from Denver to Phoenix in time for her mother's heart surgery, but an impending snowstorm has grounded all flights. Fortunately, she is able to hitch a ride at the last minute on Blake Randolph's private plane. Or is it unfortunately? When she and the software magnate crash in the Rockies, she must bring them safely home while stifling the strong attraction she feels for the man. She can't decide which is more dangerous: the mountains or the man.
