

## The Guardian (Sparks, Nicholas (Large Print))

At 29, Julie Barenson is too young to give up on love. Four years after her husband's tragic death, she is finally ready to risk giving her heart to someone again. But to whom? Should it be Richard Franklin, who is handsome and sophisticated and treats her like a queen, or Mike Harris, who is Julie's best friend in the world, though not as debonair? Now, with a decision that should bring her more happiness than she's had in years, Julie's life is about to become a living nightmare, as one man's jealousy spins into a deadly obsession. - Upon its release, Nicholas Sparks' most recent novel, *Nights in Rodanthe* (Warner, 9/02), immediately hit #1 on the New York Times, USA TODAY, and Publishers Weekly bestseller lists.
